"Follow the Market"

is our motto for this year.

If our price on any article is out of line tell us.

It was impossible to keep our prices up to market conditions when goods were advancing, so now it is impossible to be informed of each decline as it takes place.

It is our purpose, however, to give our customers the benefit of any new price that is out, and to purchase good, clean, substantial

Colds & Headache

"For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every household for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

THEDFORD'S
BLACK-DRAUGHT

"It touches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many dollars . . I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am never without it."
